

## BEAU BRUMMEL WINS

Has Things His Own Way in the Fourth Event.

## POOR CARDS AT FAIR GROUNDS

Bosserian Makes His Debut by Galloping Home in the Six Furlongs for Three-year-olds—Milam Shows a Likely Youngster in Shirley Rosmore in Two-year-old Race.

New Orleans, Jan. 21.—The racing shifted to the Fair Grounds this afternoon, where a very ordinary card, embracing seven races, was provided. Beau Brummel had things his own way at all stages in the fourth. He won easily. The colt was a 5 to 1 favorite in the betting. Missouri Lad, the second choice, was poorly handled by Austin. The ride was so poor that many of the spectators hissed him when he weighed out. Flavinig, played down from 7 to 1 to 5 to 1, won the fifth.

The best finish of the day came in the closing event, when Lady Ellison, the favorite, managed to get the long end of the purse in a close contest with Foreigner.

Campaigner, the even-money favorite, won his race in a canter from Oberon, one of the long shots.

Bosserian, making his first appearance at the meeting and with 10 to 1 about his chances, galloped home in the six-furlong race for three-year-olds.

J. C. Milam showed up a likely looking youngster in Shirley Rosmore, winner of the two-year-old event.

## POPE JOAN RETIRED

Keene's Star Filly Goes to Castleton Stud.

## TO BE BRED TO NOTED DELHI

Heralded as Even Greater Than Court Dress, but Poor Finish Lost Her the Futurity—Garner Still Leads Jockeys at New Orleans—McCafferty Hopes to Be Reinstated.

New Orleans, Jan. 21.—Turfrmen were surprised to learn to-day that James R. Keene's star three-year-old filly, Pope Joan, had been retired to the Castleton stud and would be bred to the noted Delhi. Last season before she made her first appearance in a race at Saratoga, Pope Joan was heralded as even greater than her stable mate, Court Dress, the champion two-year-old filly of the year. When she started in the Futurity at Sheephead Park, coupled in the betting with Peter Pan and Ballot, it looked as if Mr. Keene could not lose the big stakes. In fact it was right up to the last few strides that Pope Joan appeared to have the race in hand, only to tire just as Electioneer came along with his victorious rush. Pope Joan finished marginally, but was beaten by such a small margin that much sympathy was expressed for her owner and trainer.

Later, during the last meeting at Brighton, Pope Joan started again, but she was knocked back at the start, and finished nowhere as she never had a chance to make the lost ground. After that Trainer Rowe retired the filly because of slight lameness.

Jockey Garner, who resumed saddle work at New Orleans a week ago to-day, after an absence of two weeks, because of an injury, said heads the winning jockeys at the Crescent City, not including the races to-day. Garner had handled forty-six winners, twenty-five seconds, and fifteen thirds. J. Hennessy, under contract to Burlew & O'Neill, stands second, with thirty-five winners, thirty seconds, and twenty-seven thirds. Mountain is third, with thirty-three winners, thirty-four seconds, and twenty-six thirds, while Nicol is fourth, with thirty, twenty-one, and seventeen, respectively.

Burlew & O'Neill have won in stakes and purses nearly three times as much money as any other stables. Including Saturday's races, the young partners had rolled up \$21,770. Edward Corrigan stands second, with \$8,671.

John J. McCafferty, who was ruled off the turf for life by Boots Durnell last winter by the Pacific Coast Jockey Club, is making renewed efforts to secure a reinstatement. In view of the fact that Durnell has been restored to good standing, the friends of McCafferty say that it is but fair to accord him similar treatment.

Durnell was able, it appears, to exert powerful influence in his behalf, while McCafferty, so far, has been unable to secure the right kind of a pull.

Russell's New Ideas. Graduate Coach Makes Changes in Georgetown's Crew Policy.

Radical changes in the training policy of the Georgetown crew are being made by Murray Russell, '06, the new graduate coach.

Coach Russell has introduced chest and breathing exercises as a feature of the daily work, and in this innovation he has the hearty support of Prof. Joyce, director of the gymnasium. Russell has also announced that in the future regular practice for every candidate will be compulsory. As the men report they are being enrolled, and, with the exception of Friday, every member of the squad will be compelled to be present each day or be dismissed from the squad.

Six new candidates have reported and two of the most promising candidates have withdrawn. Ralph L. Compton, the sturdy captain of last year's Prep crew, declares that his studies will force him to give up rowing. "Syd" Mudd, twice a member of Poughkeepsie crews, who last year could not row on account of the objections of his parents, is again confronted with the same difficulty and may not row this season. The new men who have reported are Buckley and Tighe, of last fall's football squad; Reilly, Fitzpatrick, and Tom Stuart, of the Georgetown class crews.

Chicago Will Stick. Maroons Will Not Be Influenced by Michigan's Action.

Chicago, Jan. 21.—Notwithstanding action favoring a withdrawal from the "Big Nine," Chicago will stand pat. Many of the students would like to see Chicago and Michigan draw out together and form some sort of a dual relationship such as exists between Yale and Harvard. It is understood that no such action will be taken by the Midway faculty, which is definite in its intention to stay with the conference, in spite of the fact that the amendments which the last conference cast out were initiated by Chicago, and that, taken altogether, Midway teams are the hardest hit by the "Big Nine" action.

Chicago was beaten in the contest for the reforms, but will abide by the will of the ruling minority. Any such action will be taken by Chicago as a member of the "Big Eight" that may be left is uncertain.

Johnson at Honolulu. Colored Heavy-weight Confident of Success in Australia.

Honolulu, Jan. 21.—Jack Johnson, the champion colored heavy-weight pugilist, who recently left for the colonies on the liner Sonoma, gave an exhibition of his ability as a boxer while here, and made a good impression. His impromptu go with Lampher was much appreciated. He put on the gloves simply to keep faith with the public, which had been promised a bag-punching exhibition, but was disappointed because of no platform being obtainable. As Johnson was leaving he said: "Have a bet on me whenever I fight and you'll get a run for your money. I don't think I'll fight Peter elix. I'm going to Australia to fight the best two men they've got, but from what I hear Felix doesn't class. If I beat Sonoma, I think I will for he's not as clever as Tommy Burns, but has a harder kick—I'll make any concessions to meet Jeffries. Yes, I'll ever fight him winner take all."

William and Mary Winner. Newport News, Jan. 21.—William and Mary College defeated the Newport News Y. M. C. A. basketball team by 17 to 10. This was one of the State championship games. William and Mary holds the best record to date, having defeated both University of Virginia and Newport News.

## INTERNATIONAL TENNIS.

## American Players Expected to Make Another Bid for Trophy.

New York, Jan. 21.—That the United States National Lawn Tennis Association has let it be known in England that this country would again challenge this year for the International Challenge Cup was indicated yesterday by one of the experts, who had received from London the appointments made by the English association to direct the international matches. In addition, the Englishmen have appointed an emergency committee, so that all cases that arise which need immediate decision may be dealt with officially. The international match committee is remarkable in that it is composed of Britons who are actively engaged in playing the game, although it is regarded as significant that neither of the famous Doherty brothers is placed on the committee.

Already the members of the executive committee of the United States Association have sounded some of the most prominent of the players as to the possibility of their making the trip to the English coast to meet the challenge and the method of raising the money for the players' expenses will form one of the principal subjects of discussion at the annual meeting, which is but two weeks off.

At the annual meeting the details of offering the international cup for women players are also scheduled to come before the members of the association. English women, it is known, are only too ready to visit this country, and both Mrs. and Mr. George W. Hill
